## Stay Informed About YOUR Town!

There are many ways to stay informed about YOUR Town. The best way is to attend the monthly board meetings to get the first hand information, but we know not everyone can make every meeting.

Not everyone can make every meeting, but signing up for the notices, will let you know what your elected officials are talking about and working on!

All notices are posted on the website, along with other informational documents about what is happening in the town. To sign up go to [glenmorewisconsin.org](http://glenmorewisconsin.org) and click on "Sign Up" in the left hand column.

Notices can be sent to via text or e-mail.

## Keep our Town Clean

Please help to keep ALL garbage out of our ditches. When hauling your garbage and recycling, all loads should be tarped, preventing anything from flying. If you see tires, TV's, or other items in the ditches, please pick them up or let us know.

## New Zoning Administrator Ben Schauer

was appointed as the Town of Glenmore Zoning Administrator at the June Town Board Meeting. We are excited to be working with Ben and all of the future Town needs! You may contact Ben at [glenmorezoning@yahoo.com](mailto:glenmorezoning@yahoo.com) or 864-2330.

## Safety on our Roads

Safety on the Roads is important all year long. There are several things that all residents need to keep in mind to help keep ourselves and those around us safe, no matter the time of year:

- Wearing bright colored and reflective clothing when biking or walking down the roads in our town to stay safe while staying healthy!
- Keep all grass clippings off the roads, as this makes the roads slippery for drivers, especially motorcycles.

### Controlled Burn

If you are planning a controlled burn, **you must call the Brown County Sheriff's Office (448-4200) AND YOUR local Volunteer Fire Department Chief in advance.**

Residents East of Dickinson Road must call the Denmark Volunteer Chief (863-8466) to leave a message.

Residents West of Dickinson Road must call the Morrison Volunteer Chief Bill Lasee (864-2501).

Calling ahead will alert all emergency responders of your plans and will alleviate confusion at the 911 call center if someone not involved in the burn would report the fire.

County Planning Commission at (920) 448-6480 or email at mead\_td@co.brown.wi.us.

## Does Your Fire Sign Look Like This?

Please make sure that your new signs are in place.

The Town Board will be going around the Town during July to review any signs that have not been replaced. Those signs will be ordered and the landowner will be charged for the sign, post and installation on their next tax bill.

IF YOU FIND A STRAY ANIMAL,  
PLEASE CONTACT CONSTABLE JOE GUNS  
(920) 864-7170 OR (920) 655-8937

## You Can Help Emergency Responders Get to Your Home Quickly
